The reason for us in giving you this advice is that if your animal were to lash out and injure someone or damage someone's property and it is established that your animal was out of control at the time you may be held responsible or partly responsible for any injury or damage caused and could end up paying all or part of any settlement reached.

#### **The Worm by Ralph Bergengren**

When the earth is turned in spring

The worms are fat as anything.

And birds come flying all around

To eat the worms right off the ground.

They like the worms just as much as I

Like bread and milk and apple pie.

And once, when I was very young,

I put a worm right on my tongue.

I didn't like the taste a bit,

And so I didn't swallow it.

But oh, it makes my Mother squirm

Because she thinks I ate that worm!

#### **The Wayfarer by Pádraig Pearse**

The beauty of the world hath made me sad,  
This beauty that will pass;  
Sometimes my heart hath shaken with great joy  
To see a leaping squirrel in a tree,  
Or a red lady-bird upon a stalk,  
Or little rabbits in a field at evening,  
Lit by a slanting sun,  
Or some green hill where shadows drifted by  
Some quiet hill where mountainy man hath sown  
And soon would reap; near to the gate of Heaven;  
Or children with bare feet upon the sands  
Of some ebbd sea, or playing on the streets  
Of little towns in Connacht,  
Things young and happy.  
And then my heart hath told me:  
These will pass,  
Will pass and change, will die and be no more,  
Things bright and green, things young and happy;  
And I have gone upon my way  
Sorrowful.
